Valerie

Well, sometimes I go out by myself
And I look across the water
And I think of all the things of what
you're doing
In my head I paint a picture
Since I've come home
Well, my body's been a mess
And I miss your ginger hair
And the way you like to dress
Oh, won't you come on over?
Stop making a fool out of me
Why don't you come on over, Valerie?
Valerie
Did you have to go to jail?
Put your house out up for sale?
Did you get a good lawyer?
I hope you didn't catch a tan,
Hope you find the right man
Who'll fix it for you
Are you shopping anywhere?
Change the color of your hair
And are you busy?
Did you have to pay that fine
That you were dodging all the time?
Are you still dizzy?
Since I've come home
Well, my body's been a mess
And I miss your ginger hair
And the way you like to dress
Oh, won't you come on over?
Stop making a fool out of me
Why don't you come on over, Valerie?
Valerie
Well, sometimes I go out by myself

And I look across the water
And I think of all the things of what
you're doing
In my head I paint a picture
Since I've come home
Well, my body's been a mess
And I miss your ginger hair
And the way you like to dress
Oh, won't you come on over?
Stop making a fool out of me
Why don't you come on over, Valerie?
Valerie
Why don't you come on over, Valerie?

1979

Shakedown 1979

Cool kids never have the time
On a live wire right up off the street
You and I should meet
June bug skipping like a stone
With the headlights pointed at the
dawn
We were sure we'd never see an end
to it all
And I don't even care to shake these
zipper blues
And we don't know just where our
bones will rest
To dust I guess forgotten and ab-
sorbed
Into the earth below
Double cross the vacant and the
bored
They're not sure just what we have in
the store
Morphine city slippin' dues down to
see
We don't even care as restless as we
are
We feel the pull in the land of a thou-
sand guilts
And poured cement, lamented and
assured
To the lights and towns below
Faster than the speed of sound
Faster than we thought we'd go
Beneath the sound of hope
Justine never knew the rules
Hung down with the freaks and the

ghouls

No apologies ever need be made
I know you better than you fake it to
see
That we don't even care to shake
these zipper blues
And we don't know just where our
bones will rest
To dust I guess forgotten and ab-
sorbed
Into the earth below
The street heats the urgency of now
As you see there's no one around

Redemption-Song-Live

Oh Pirates yes they rob I
Stole I from the merchant ships
Minutes after they took I
From the bottomless pit
But my hand was made strong
By the hand of the Almighty
We forward in this generation
Triumphantly
Won't you help to sing
these songs of freedom
'Cause all I ever have
Redemption Songs Ziggy & Lauryn:
Emancipate yourself from mental
slavery
None but ourselves can free our
minds
Have no fear for atomic energy
'Cause none of them can stop the
time
How long shall they kill our prophets
While we stand aside and look
Yes, some say it's just a part of it
But we've got to fulfill the book
Won't you help us sing
Another song of freedom
'Cause all I ever have
Redemption Song L. Boogie
Yo, If they can stop this fruit
They would pop this route
Chop this fruit
Treat us like a prostitute
Knock this youth
See me in my cocky suit
God's recruit

From fallin even God's salute
Tribal truth
Ja people can't be mute
Share my youth to Babylon can't re-
group
Sing, to Babylon can't regroup
Sing, to Babylon can't regroup
Lauryn & Ziggy:
Emancipate yourself from mental
slavery
None but ourselves can free our
minds
Have no fear for atomic energy
'Cause none of them can stop the
time
How long shall they kill our prophets
While we stand aside and look
Some say it's just a part of it
We've got to fulfill the book
Won't you help to sing
Another song of freedom, yeah
'Cause all I ever have
Redemption songs(5).

Give-Me-One-Reason

Give me one reason to stay here
And I'll turn right back around
Give me one reason to stay here
And I'll turn right back around
Said, I don't wanna leave you lonely
You got to make me change my mind
Baby, I got your number
And I know that you got mine
You know that I called you
I called too many times
You can call me, baby
You can call me anytime
You got to call me
Give me one reason to stay here
And I'll turn right back around
Give me one reason to stay here
And I'll turn right back around
Said, I don't wanna leave you lonely
You got to make me change my mind
I don't want no one to squeeze me
They might take away my life
I don't want no one to squeeze me
They might take away my life
I just want someone to hold me
And rock me through the night
This youthful heart can love you, yes
And give you what you need
I said, This youthful heart can love
you
And give you what you need
But I'm too old to go chasing you
around
Wasting my precious energy
Give me one reason to stay here

And I'll turn right back around
Give me one reason to stay here
I'll turn right back around
Said, I don't wanna leave you lonely
You got to make me change my mind
Baby just give me one reason
Give me just one reason why
Baby just give me one reason
Give me just one reason why I should
stay
Said, I told you that I loved you
And there ain't no more to say

Ramble-On

Leaves are falling all around
It's time I was on my way
Thanks to you I'm much obliged
Such a pleasant stay
But now it's time for me to go
The autumn moon lights my way.
and now I smell the rain
and and with it pain
and it's headed my way
ah sometimes I grow so tired
but I know I got one thing I got to do
ramble on
well nows the time the time is now
sing my song
I'm go'in around the world
gonna find my girl
I'm on my way
I've been this way ten years to the
day
I'm gonna ramble on
I'm gonna find the queen of all my
dreams
Got no time for spreadin' roots
The time has come to be gone
No I can't be dragged a thousand
times
It's time to ramble on
When I'm alone
Oh well nows the time
The time is now
Sing my song
I'm going around the world
Gonna find my girl
I'm on my way

I've been this way ten years to the
day
I'm gonna ramble on
I'm gonna find the queen of all my
dreams
Now's the tale that can be told
My freedom I hold dear
How years ago
In days of old
The magic filled the air
Just in the darkest steps of Mordor
I met a girl so fair
But Gollum and the Evil one
crept up and slipped away with her
ah shit
and there's nothing I can do now
I guess I'll keep on
Ramblin'
I'm gonna sing my song
I'm going around the world
Gonna find my girl
I'm on my way
I've been this way ten years to the
day
I'm gonna ramble on
Sing my song
I'm going around the world
I wanna see my girl
I went searching for my baby
my my my my my baby

Times-Like-These

I am a one way motorway
I'm the one that drives away
then follows you back home
I am a street light shining
I'm a wild light blinding bright
burning off alone
it's times like these you learn to live
again
it's times like these you give and give
again
it's times like these you learn to love
again
it's times like these time and time
again
I am a new day rising
I'm a brand new sky
to hang the stars upon tonight
I am a little divided
do I stay or run away
and leave it all behind?
it's times like these you learn to live
again
it's times like these you give and give
again
it's times like these you learn to love
again
it's times like these time and time
again

Mercy

Hit the beat and take it to the verse
now

Yeah, yeah, yeah

Yeah, yeah, yeah

Yeah, yeah, yeah

Yeah, yeah, yeah

I love you

But I gotta stay true

My morals got me on my knees

I'm begging please

Stop playing games

I don't know what this is

Cause you got me good

Just like you knew you would

I don't know what you do

But you do it well

I'm under your spell

You got me

Begging you for mercy

Why won't you release me

You got me

Begging you for mercy

Why won't you release me

I said release me

Now you think that I

Will be something on the side

But you got to understand that I need
a man

Who can take my hand

Yes, I do

I don't know what this is

But you got me good

Just like you knew you would

I don't know what you do

But you do it well

I'm under your spell

You got me

Begging you for mercy

Why won't you release me

You got me

Begging you for mercy

Why won't you release me

I said you'd better

Release yeah, yeah, yeah

I'm begging you for mercy

Yes, why won't you release me

I'm begging you for mercy

You got me begging

You got me begging

You got me begging

Mercy

Why won't you release me

I'm begging you for mercy

Why won't you release me

You got me

Begging you for mercy

I'm begging you for mercy Why won't
you

Release me?

Yeah, yeah

Break it down

Lets-Get-It-On

I've been really tryin', baby
Tryin' to hold back this feeling for so long
And if you feel like I feel, baby
Then, c'mon, oh, c'mon
Let's get it on
Ah, baby, let's get it on
Let's love, baby
Let's get it on, sugar
Let's get it on
We're all sensitive people
With so much to give
Understand me, sugar
Since we've got to be here
Let's live
I love you
There's nothing wrong with me
Loving you, baby no no
And giving yourself to me can never be wrong
If the love is true
Don't you know how sweet and wonderful life can be
I'm asking you baby to get it on with me
I ain't gonna worry
I ain't gonna push, won't push you baby
So c'mon, c'mon, c'mon, c'mon, c'mon, baby
Stop beatin' 'round the bush
Let's get it on
Let's get it on
You know what I'm talkin' 'bout

C'mon, baby
Let your love come out
If you believe in love
Let's get it on
Let's get it on, baby
This minute, oh yeah
Let's get it on
Please, let's get it on
C'mon, c'mon, c'mon, c'mon, c'mon, darlin'
Stop beatin' 'round the bush
Oh, gonna get it on
Threaten' you, baby
I wanna get it on
You don't have to worry that it's wrong
If the spirit moves ya
Let me groove ya good
Let your love come down
Oh, get it on
C'mon, baby
Do you know the meaning?
I've been sanctified
Girl, you give me good feeling
I've been sanctified

Have-A-Drink-On-Me

Have a drink on me

AC/DC

Back in Black

Have A Drink On Me

Whiskey, gin and brandy

With a glass I'm pretty handy

I'm trying to walk a straight line

On sour mash and cheap wine

So join me for a drink boys

We're gonna make a big noise

So don't worry about tomorrow

Take it today

Forget about the cheque

We'll get hell to pay

Have a drink on me

Dizzy, drunk and fightin'

On tequila white lightnin'

My glass is getting shorter

On whiskey, ice and water

So come on and have a good time

And get blinded out of your mind

So don't worry about tomorrow

Take it today

Forget about the cheque

We'll get hell to pay

Have a drink on me

(Get stoned)

Gonna roll around

Gonna hit the ground

Take another swing

Have another drink

Gonna drink it dry

Gonna get me high

Come on all the boys

Make a noise

Say-It-Aint-So

We do not have the lyrics for Say It Ain't So yet.

What-I-Got

Early in the mornin', risin' to the street
Light me up that cigarette and I'll strap shoes on my feet
Got to find the reason, reason things went wrong
Got to find the reason why my money's all gone
I got a Dalmatian, I can still get high
I can play the guitar like a mother-fuckin' riot
Life is too short, so love the one you got
'Cause you might get run over or you might get shot
Never startle static I just get it off my chest
Never had to battle with my bullet-proof vest
Take a small example, take a tip from me
Take all of your money, give it all to charity
Life is what I got it's within my reach
And the sublime style is just straight from long beach
It all comes back to you, you finally get what you deserve
Try and test that, you're bound to get served
Love's what I got, don't start a riot
You'll feel it when the dance gets hot
Lovin' is what I got, I said, "Remember that"

Lovin' is what I got, and remember that
Lovin' is what I got, I said, "Remember that"
Lovin' is what I got, I got, I got, I got
I don't cry when my dog runs away
I don't get angry at the bills I have to pay
I don't get angry when my Mom smokes pot
Hits the bottle and moves right to the rock
Fuck it or fight it, it's all the same
Livin' with Louie dog's the only way to stay sane
Let the lovin', let the lovin' come back to me
'Cause lovin' is what I got, I said, "Remember that"
Lovin' is what I got, and remember that
Lovin' is what I got, I said, "Remember that"
Lovin' is what I got, I got, I got, I got
So that's it
See you then

In-The-Midnight-Hour

I'm gonna wait 'till the midnight hour
That's when my love come tumbling
down

I'm gonna wait 'till the midnight hour
When there's no one else around

I'm gonna take you, girl, and hold you
And do all things I told you, in the
midnight hour

Yes I am, oh yes I am

One thing I just wanna say, right here
I'm gonna wait till the stars come out
And see that twinkle in your eyes

I'm gonna wait 'till the midnight hour
That's when my love begins to shine
You're the only girl I know

Can really love me so, in the midnight
hour

Oh yeah, in the midnight hour

Yeah, all right, play it for me one time,
now

I'm gonna wait 'till the midnight hour
That's when my love come tumbling
down

I'm gonna wait, way in the midnight
hour

That's when my love begin to shine,
just you and I

Oh, baby, just you and I

Nobody around, baby, just you and I

Oh, right, you know what?

I'm gonna hold you in my arms, just
you and I

Oh yeah, in the midnight hour

Oh, baby, in the midnight hour

Hit-Me-With-Your-Best-Shot

Well you're the real tough cookie
with a long history
Of breaking little hearts, like the one
in me

That's okay let's see how you do it
Put up your dukes, let's get down to
it

Hit me with your best shot
Why don't you hit me with your best
shot?

Hit me with your best shot
Fire away

You come on with a come on, you
don't fight fair

But that's okay, see if I care
Knock me down, it's all in vain
I'll get right back up on my feet again

Hit me with your best shot
Why don't you hit me with your best
shot?

Hit me with your best shot
Fire away

Well you're a real tough cookie with
a long history
Of breaking little hearts, like the one
in me

Before I put another notch in my
lipstick case

You better make sure you put me in
my place

Hit me with your best shot
Come on, hit me with your best shot

Hit me with your best shot
Fire away

Hit me with your best shot
Why don't you hit me with your best
shot?

Hit me with your best shot
Fire away

Under-The-Bridge

Sometimes I feel
Like I don't have a partner
Sometimes I feel
Like my only friend
Is the city I live in,
The city of Angel
Lonely as I am
Together we cry
I drive on her streets 'cause
She's my companion
I walk through her hills 'cause
She knows who I am
She sees my good deeds and
She kisses the windy
I never worry now that is a lie
I don't ever wanna feel
Like I did that day
Take me to the place I love
Take me all the way
I don't ever want to feel
Like I did that day
Take me to the place I love
Take me all the way yeah yeah yeah
It's hard to believe
That there's nobody out there
It's hard to believe
That I'm all alone
At least I have her love
The city she loves me
Lonely as I am
Together we cry
I don't ever wanna feel
Like I did that day
Take me to the place I love

Take me all the way
I don't ever want to feel
Like I did that day
Take me to the place I love
Take me all the way yeah, yeah, yeah
Oh no no no yeah yeah
Love me I say yeah yeah
Downtown
Under the bridge downtown
Is were I drew some blood
Under the bridge downtown
I could not get enough
Under the bridge downtown
Forgot about my love
Under the bridge downtown
I gave my life away yeah yeah
Ooh no no no yeah yeah
Love me I say yeah yeah
Love me I say

Just-A-Girl

Take this pink ribbon off my eyes
I'm exposed and it's no big surprise
Don't you think I know exactly where
I stand

This world is forcing me to hold your
hand

'Cause I'm just a girl, oh, little old me
Don't let me out of your sight

Oh, I'm just a girl, all pretty and pe-
tite

So don't let me have any rights

Oh, I've had it up to here

The moment that I step outside

So many reasons for me to run and
hide

I can't do the little things I love so
dear

'Cause it's all those little things that
I fear

'Cause I'm just a girl, I'd rather not be

'Cause they won't let me drive late at
night

I'm just a girl, guess I'm some kind of
freak

'Cause they all sit and stare with their
eyes

Oh, I'm just a girl take a good look at
me

Just your typical prototype, oh, I've
had it up to here

Oh, am I making myself clear?

I'm just a girl, I'm just a girl in the
world

That's all that you'll let me be

Oh, I'm just a girl, living in captivity
Your rule of thumb make me worry so
Oh, I'm just a girl, what's my destiny?
What I've succumbed to is making me
numb

Oh, I'm just a girl, my apologies
What I've become is so burdensome

Oh, I'm just a girl, lucky me

Twiddle dum there's no comparison

Oh, I've had it up to

Oh, I've had it up to

Oh, I've had it up to here

Interstate-Love-Song

Waitin', on a Sunday afternoon
For what I read between the lines
Your lies
Feelin', like a hand in rusted shame
So do you laugh, or does it cry?
Reply
Leavin', on a southern train
Only yesterday, you lied
Promises of what I seemed to be
Only watch the time go by
All of these things you said to me
Breathin', is the hardest thing to do
With all I've said and all that's dead
for you
You lied, good bye
Leavin', on a southern train
Only yesterday, you lied
Promises of what I seemed to be
Only watch the time go by
All of these things I said to you

Thinking-Out-Loud

When your legs don't work like they
used to before

And I can't sweep you off of your feet
Will your mouth still remember the
taste of my love?

Will your eyes still smile from your
cheeks?

And, darling, I will be loving you till
we're 70

And, baby, my heart could still fall as
hard at 23

And I'm thinking 'bout how people
fall in love in mysterious ways

Maybe just the touch of a hand

Well, me, I fall in love with you every
single day

And I just wanna tell you I am

So, honey, now

Take me into your loving arms

Kiss me under the light of a thousand
stars

Place your head on my beating heart

I'm thinking out loud

Maybe we found love right where we
are

When my hair's all but gone, and my
memory fades

And the crowds don't remember my
name

When my hands don't play the strings
the same way

I know you will still love me the same
'Cause, honey, your soul could never
grow old, it's evergreen

And, baby, your smile's forever in my
mind and memory

I'm thinking 'bout how people fall in
love in mysterious ways

And maybe it's all part of a plan

Well, I'll just keep on making the
same mistakes

Hoping that you'll understand

That, baby, now

Take me into your loving arms

Kiss me under the light of a thousand
stars

Place your head on my beating heart

I'm thinking out loud

And maybe we found love right where
we are

La la la, la la la, la la la, la la la loud

So, baby, now

Take me into your loving arms

Kiss me under the light of a thousand
stars

Oh, darling, place your head on my
beating heart

I'm thinking out loud

Then maybe we found love right
where we are

Oh, baby, we found love right where
we are

And we found love right where we
are

Criminal

I've been a bad bad girl
I've been careless with a delicate
man
And its a sad sad world
When a girl will break a boy
Just because she can
Don't you tell me to deny it
I've done wrong and I want to
Suffer for my sins
I've come to you 'cause I need
Guidance to be ture
And I just don't know where I can
begin
What I need is a good defense
'Cause I'm feelin' like a criminal
And I need to redeemed
To the one I've sinned against
Because he's all I ever knew of love
Heaven help me for the way I am
Save me from these evil deeds
Before I get them done
I know tomorrow brings the conse-
quence
At hand
But I keep livin' this day like
The next will never come
Oh help me but don't tell me
To deny it
I've got to cleanse myself
Of all these lies till I'm good
Enough for him

I've got a lot to lose and I'm
Bettin' high
So I'm beggin' you before it ends
Just tell me where to begin
What I need is a good defense
'Cause I'm feelin' like a criminal
And I need to redeemed
To the one I've sinned against
Because he's all I ever knew of love
Let me know the way
Before there's hell to pay
Give me room to lay the law and let
me go
I've got to make a play
To make my lover stay
So what would an angel say
The devil wants to know
What I need is a good defense
'Cause I'm feelin' like a criminal
And I need to redeemed
To the one I've sinned against
Because he's all I ever knew of love
What I need is a good defense
'Cause I'm feelin' like a criminal
And I need to redeemed
To the one I've sinned against
Because he's all I ever knew of love

Home-Live

Hold on, to me as we go
As we roll down this unfamiliar road
And although this wave is stringing
us along
Just know you're not alone
'Cause I'm going to make this place
your home
Settle down, it'll all be clear
Don't pay no mind to the demons
They fill you with fear
The trouble it might drag you down
If you get lost, you can always be
found
Just know you're not alone
'Cause I'm going to make this place
your home
Settle down, it'll all be clear
Don't pay no mind to the demons
They fill you with fear
The trouble it might drag you down
If you get lost, you can always be
found
Just know you're not alone
'Cause I'm going to make this place
your home

Santeria

I don't practice Santeria
I ain't got no crystal ball
Well I had a million dollars but I
I'd spend it all
If I could find that heina
And that Sancho that she'd found
Well I'd pop a cap in Sancho
And I'd slap her down
What I really wanna know, my baby
Oh, what I really wanna say, I can't
define
Well it's love that I need, oh
My soul will have to wait till I get back
Find a heina of my own
Daddy's gonna love one an' all
I feel the break, feel the break, feel
the break
And I gotta live it out, oh yeah
Well I swear that I
What I really wanna know, my baby
What I really wanna say, I can't define
Got love, make it go, oh
My soul will have to
Oh, what I really wanna say, my baby
What I really wanna say, is I've got
mine
And I'll make it
Yes, I'm goin' up
Tell Sanchito that if he knows
What is good for him
He best go run an' hide
Daddy's got a new forty-five
And I won't think twice to stick that
barrel

Straight down Sancho's throat
Believe me when I say that
I got something for his punk ass
What I really wanna know, my baby
Oh, what I really wanna say
Is there's just one way back?
And I'll make it, yaa
My soul will have to wait

Purple-Rain

I never meant 2 cause U any sorrow
I never meant 2 cause U any pain
I only wanted one time 2 see U laugh-
ing
I only want 2 see U laughing in the
purple rain
Purple rain Purple rain
Purple rain Purple rain
Purple rain Purple rain
I only want 2 see U bathing in the
purple rain
I never wanted 2 be your weekend
lover
I only wanted 2 be some kind of
friend
Baby I could never steal U from an-
other
It's such a shame our friendship had
2 end
Purple rain Purple rain
Purple rain Purple rain
Purple rain Purple rain
I only want 2 see U underneath the
purple rain
Honey I know, I know, I know times
are changing
It's time we all reach out for some-
thing new
That means U 2
U say U want a leader
But U can't seem to make up your
mind
I think you better close it
And let me guide U 2 the purple rain

Purple rain Purple rain
Purple rain Purple rain
If you know what I'm singing about
up here
C'mon raise your hand
Purple rain Purple rain
I only want 2 see U, only want 2 see
U
In the purple rain

The-Middle

Hey, don't write yourself off yet
It's only in your head you feel left
out or looked down on
Just try your best, try everything you
can
And don't you worry what they tell
themselves when you're away
It just takes some time
Little girl you're in the middle of the
ride
Everything, everything will be just
fine
Everything, everything will be alright,
alright
Hey, you know they're all the same
You know you're doing better on your
own, so don't buy in
Live right now, yeah, just be yourself
It doesn't matter if it's good enough
for someone else
It just takes some time
Little girl you're in the middle of the
ride
Everything, everything will be just
fine
Everything, everything will be alright,
alright
It just takes some time
Little girl you're in the middle of the
ride
Everything, everything will be just
fine
Everything, everything will be alright,
alright

Hey, don't write yourself off yet
It's only in your head you feel left
out or looked down on
Just do your best, do everything you
can
And don't you worry what the bitter
hearts are gonna say
It just takes some time
Little girl you're in the middle of the
ride
Everything, everything will be just
fine
Everything, everything will be alright,
alright
It just takes some time
Little girl you're in the middle of the
ride
Everything, everything will be just
fine
Everything, everything will be alright,
alright

The-Big-Bang

Oh, babe
I don't wanna lie
I'm gonna take what you're giving
'Cause I know you're willing
To take me all the way
You got me right here
Impossible
And I can't wait to finally explode
The Big, Big Bang
The reason I'm alive
When all the stars collide
In this universe inside
The big, big bang
The big, big bang
The big, big bang
Some people like to talk
But I'm into doing
What I feel like doing
When I'm inspired to
If we take a walk down the beach
tonight
I bet that we could light up the sky
The Big, Big Bang
The reason I'm alive
When all the stars collide
In this universe inside
The big, big bang
The big, big bang
The big, big bang
Take it for me, I don't wanna be
mummified
Sometimes I feel so isolated
I wanna die and I'll take it from you
if you got it every time

So baby, bring your body here, next
to mine
Next to mine
Next to mine when I don't wanna
dance
I just wanna live it
So baby, let's not miss this thing
The Big, Big Bang
The reason I'm alive
When all the stars collide
In this universe inside
The big, big bang
The big, big bang
The big, big bang

Rebel-Yell

Last night a little dancer
came dancing to my door
Last night a little angel
came pumping on the floor
She said, come on baby
You got a license for love
And if it expires
pray help from above, because
in the midnight hour
she cried more, more, more
With a rebel yell
she cried more, more, more
In the midnight hour, babe
more, more, more
With a rebel yell
more, more, more, more, more, more
She don't like slavery
she won't sit and beg
But when I'm tired and lonely
she sees me to bed
What set you free
and brought you to me, babe
What set you free
I need you here by me
because
In the midnight hour
she cried more, more, more
With a rebel yell
she cried more, more, more
In the midnight hour, babe
more, more, more
With a rebel yell
more, more, more
He lives in his own Heaven

Collects it to go from the seven
eleven
Well he's out all night to collect a
fare
Just so long, just so long it don't
mess up his hair
I walked the ward
for you, babe
A thousand miles
for you
I dried your tears
of pain, babe
A million times for you
I'd sell my soul
for you, babe
For money to burn
with you
I'd give you all
and have none, babe
Just to, just to, just to
just to have you here by me, because
In the midnight hour, she cried more,
more, more
With a rebel yell
she cried more, more, more
In the midnight hour babe
more, more, more
With a rebel yellm she cried
more, more, more, more, more, more
Oh yeah, little baby
She wants more
more, more, more, more, more
Oh yeah, little angel
She wants more
more, more, more, more, more!

Kiss

You don't have to be beautiful to
turn me on

I just need your body, baby, from
dusk till dawn

You don't need experience to turn
me out

You just leave it all up to me, I'm
gonna show you what it's all about

You don't have to be rich to be my
girl

You don't have to be cool to rule my
world

Ain't no particular sign I'm more
compatible with

I just want your extra time and your
kiss

You got to not talk dirty, baby, if you
wanna impress me

You can't be too flirty, mama, I know
how to undress me, yeah

I want to be your fantasy, maybe you
could be mine

You just leave it all up to me, we
could have a good time

You don't have to be rich to be my
girl

You don't have to be cool to rule my
world

Ain't no particular sign I'm more
compatible with

I just want your extra time and your
kiss

Yes, oh, I think I wanna dance, uh

Gotta, gotta, oh

Little Girl Wendy's Parade

Gotta, gotta, gotta

Women, not girls, rule my world, I
said they rule my world

Act your age, mama, not your shoe
size, maybe we could do the twirl
(Not your shoe size)

You don't have to watch Dynasty to
have an attitude, uh

You just leave it all up to me, my love
will be your food, yeah

You don't have to be rich to be my
girl

You don't have to be cool to rule my
world

Ain't no particular sign I'm compati-
ble with!

I just want your extra time and your
kiss

Exs-And-Ohs

Well, I had me a boy, turned him into
a man

I showed him all the things that he
didn't understand

Whoa, and then I let him go

Now, there's one in California who's
been cursing my name

'Cause I found me a better lover in
the UK

Hey, hey, until I made my getaway

One, two, three, they gonna run back
to me

'Cause I'm the best baby that they
never gotta keep

One, two, three, they gonna run back
to me

They always wanna come, but they
never wanna leave

Ex's and the oh, oh, oh's they haunt
me

Like gh-o-o-osts they want me to
make 'em all

They won't let go

Ex's and oh's

I had a summer lover down in New
Orleans

Kept him warm in the winter, left him
frozen in the spring

My, my, how the seasons go by

I get high, and I love to get low

So the hearts keep breaking, and the
heads just roll

You know that's how the story goes

One, two, three, they gonna run back

to me

'Cause I'm the best baby that they
never gotta keep

One, two, three, they gonna run back
to me

They always wanna come, but they
never wanna leave

Ex's and the oh, oh, oh's they haunt
me

Like gh-o-o-osts they want me to
make 'em all

They won't let go

My ex's and the oh, oh, oh's they
haunt me

Like gh-o-o-osts they want me to
make 'em all

They won't let go

Ex's and oh's

One, two, three, they gonna run back
to me

Climbing over mountains and a-
sailing over seas

One, two, three, they gonna run back
to me

They always wanna come, but they
never wanna leave

My ex's and the oh, oh, oh's they
haunt me

Like gh-o-o-osts they want me to
make 'em all

They won't let go

Ex's and the oh, oh, oh's they haunt
me

Like gh-o-o-osts they want me to
make 'em all

They won't let go

Ex's and oh's

Play-That-Funky-Music

Hey... do it now
Yeah hey
Hey once I was a boogie singer playin'
in a rock and roll band
I never had no problems yeah burnin'
down one night stands
And everything around me yeah
Got to stop to feelin' so low
And I decided quickly yes I did
To disco down and check out the
show
Yeah they was dancin' and singin'
and movin' to the groovin'
And just when it hit me somebody
turned around and shouted
Play that funky music white boy
Play that funky music right
Play that funky music white boy
Lay down the boogie and play that
funky music till you die
Hee-hee
Till you die (yeah)
Yeah-yeah
Well I tried to understand this (yeah)
hey
I thought that they were out of their
minds huh
How could I be so foolish?
How could I?
To not see I was be one behind
So still I kept on fighting
Well losin' every step of the way
(what you do?)
I said I must go back there I got to go

back
And check to see if things still the
same
Yeah they was dancin' and singin'
and movin' to the groovin'
And just when it hit me somebody
turned around and shouted
Play that funky music white boy
Play that funky music right
Play that funky music white boy
Lay down the boogie and play that
funky music till you die hey
Till you die (yeah)
Oh till you die
Come on play some electified funky
music
Hey wait a minute
Now first it wasn't easy changin' rock
and roll and minds
And things were gettin' shaky (yeah)
I thought I'd have to leave it behind
Oh but now it's so much better it's so
much better
I'm funklin' out in every way
But I'll never lose that feelin' no I
won't
Of how I learned my lesson that day
When they were dancin' and singin'
and movin' to the groovin'
And just when it hit me somebody
turned around and shouted
Play that funky music white boy
Play that funky music right
Play that funky music white boy
Lay down the boogie and play that
funky music till you die hey
Till you die (yeah)

Oh' till you die... yeah
(come on) They shouted play that
funky music
Play that funky music
(play that funky music)
You gotta keep on playin' funky mu-
sic
(play that funky music)
Play that funky music
(play that funky music)
Wanna take you higher y'all
(play that funky music)
White boy
(play that funky music)
Right yeah
(play that funky music)
White boy
(play that funky music)
Right yeah
(play that funky music)
White boy
(play that funky music)
Right yeah
(play that funky music) Oh baby
(play that funky music)

Faith

Well I guess it would be nice
If I could touch your body
I know not everybody
Has got a body like you
But I've got to think twice
Before I give my heart away
And I know all the games you play
Because I play them too
Oh but I
Need some time off
From that emotion
Time to pick my heart up off the floor
Oh, and that love comes down
Without devotion
Well it takes a strong man baby
But I'm showing you the door
Because I gotta have faith
I gotta have faith
Because I got to have faith, faith
I gotta have faith, faith, faith
Baby
I know you're asking me to stay
Sayin' please, please, please, don't
go away
You say I'm giving you the blues
Maybe
You mean every word you say
Can't help but think of yesterday
And another who tied me down to
lover boy rules
Before this river
Becomes an ocean
Before you throw my heart back
On the floor

Oh, baby I reconsider
My foolish notion
Well I need someone to hold me
But I'll wait for something more
Yes I've gotta have faith
I gotta have faith
Because I got to have faith, faith,
faith
I gotta have faith, faith, faith
Because I got to have faith
Oh yeah, faith
Got to have faith
Before this river
Becomes an ocean
Before you throw my heart back
On the floor
Oh, baby I reconsider
My foolish notion
Well I need someone to hold me
But I'll wait for something more
Because I gotta have faith
I gotta have faith
Because I got to have faith, faith,
faith
I gotta have faith, faith, faith

Always-On-The-Run

My Mama said
That your life is a gift
And my Mama said
“There’s much weight you will lift”
And my Mama said
“Leave those bad boys alone”
And my Mama said
“Be home before the dawn”
And my Mama said
“You can be rich or poor”
But my Mama said
“You can be big or small”
But I’m always on the run
(Always on the run)
But I’m always on the run
My Mama said
“That it’s good to be fruitful”
But my Mama said
“Don’t take more than a mouthful”
And my Mama said
“That it’s good to be natural”
And my Mama said
“That it’s good to be factual”
But I’m always on the run
(Always on the run)
But I’m always on the run, oh
Slash
Yea
And my Mama said
“Baby don’t ride that crazy horse”
And my Mama said
“You must push with much force”
And my Mama said
“Go get all that you’re after”

And my Mama said
“That loves all that matters”
But I’m always on the run
(But I’m always on the run)
But I’m always on the run
(Oh, run)
But I’m always on the run
(Always on the run)
But I’m always on the run
Aa, what’s up Mama?
You mind
Aha, right now?
Hold down
Yea

Wicked-Game

The world was on fire and no one
could save me but you*

It's strange what desire will make
foolish people do.

I never dreamed that I'd meet some-
body like you.

And I never dreamed that I'd lose
somebody like you.

No, I don't want to fall in love
(This world is only gonna break your
heart)

No, I don't want to fall in love
(This world is only gonna break your
heart)

With you (This world is only gonna
break your heart)

What a wicked game to play, to make
me feel this way.

What a wicked thing to do, to let me
dream of you.

What a wicked thing to say, you never
felt this way.

What a wicked thing to do, to make
me dream of you and,

I want to fall in love
(This world is only gonna break your
heart)

No, I want to fall in love
(This world is only gonna break your
heart)

With you.

The world was on fire and no one
could save me but you.

It's strange what desire will make

foolish people do.

I never dreamed that I'd love some-
body like you.

And I never dreamed that I'd lose
somebody like you,

No, I want to fall in love
(This world is only gonna break your
heart)

No, I want to fall in love
(This world is only gonna break your
heart)

With you
(This world is only gonna break your
heart)

No, I...
(This world is only gonna break your
heart)

(This world is only gonna break your
heart)

Nobody loves no one.
